 Acorns of Hope Non-Profit: Founder

Bob’s Tree Preservation, Inc., consists of twenty two employees. On staff are six certified ISA arborist and three to five working crews. The Company is the only full service tree care company in Louisiana. Vermeer Manufacturing Company has rated “Bob’s” the #1 tree care company in the state of Louisiana and the 2009 Conservation Business of the Year for the state of Louisiana. We recycle over 95% of our “urban renewables.”

I work as a full time consulting arborist, doing 3 – 8 consultations per day. About 40% of my workday is tree evaluation and 60% diagnostics. I have served in court, including federal court, for the past 27 years. I served four years on the Commissioner of Agriculture- Bob Odom’s round table, representing arborists for the state of Louisiana. I also served as director of the ISA Southeastern chapter for the state of Louisiana. Our Company was the first to hold educational classes on “modern agriculture” at Louisiana State University and University of Louisiana at Lafayette. I have served as an expert witness in district & Federal

Courts – for the past twenty seven years. Below are several cases listed:
